TERMS AND CONDITIONS:

Buchanan County is authorized to impose on a case-by-case basis, additional conditions consistent with its Chapter 1000 Right-of-Way Regulations and other applicable laws as necessary to protect the public health, safety, and welfare, to manage properly its Right-of-Way, and to restore properly the public Right-of-Way. The County may establish in the Permit, limitations of the amount of excavation that may occur at one time and the amount of Public Right-of-Way which may be construction during a Project. The Public Right-of-Way Permittee shall not allow excavation to remain open beyond the time necessary to complete the work and in no event no longer than the time allowed for by the Permit (or approved extensions). Non-Emergency excavation shall be performed during the time as contemplated by the Permit. The County may limit the number of conduits that may be installed by each Public Utility Right-of-Way user in order to prevent a User from unreasonably consuming a disproportionate amount of the available Public Right-of-Way by others. Further, in the event the permit request is granted, the Permittee shall indemnify, defend, and hold harmless the County, its employees, and agents for any injuries to persons or damages to the property, including claims of a contractual nature, resulting from or arising out of any activities involving the Permit. In the event Permittee abandons the Facilities on the County Public Right-of-Way, the Permittee agrees to be responsible for any costs to remove the abandoned Facilities. In the event County has to seek legal action for any matter surrounding the Permit, Permittee shall be responsible for all of County's reasonable attorneys' fees and expenses, as allowed by law.
