Video- Nancy Lyle with Murphy, Taylor, Siemens & Elliott P.C. & Jonathan Davis CEO Tualta

Commissioners asked to meet with Jonathan with Tualta to get more information how this organization will benefit the caregivers in Buchanan County. Mr. Davis explained the ARPA funds being requested by Tualta will set up the software, licensing, print resources, social workers, marketing and promotions. This will provide unlimited access to residents and/or caregivers in Buchanan County. Mosaic and Tualta have discussed this program and our hospital will benefit with added care transitioning, home health and believe this can reduce re-admittance. This platform is in many states and have been funded by State & Federal Government agencies as well as Older American Act, CARES Act and ARPA funds.

Meeting Adjourned at 10:25 am.
